RE: Application for 2021 Electricity Distribution Rates

Dear Ms. Long,

Bluewater Power Distribution Corporation ("Bluewater Power") is on the list of distributors scheduled to rebase for 2021 rates, and is currently under a May 1st rate year as indicated on the letter from the OEB dated November 13, 2019.

Bluewater Power confirms that we are proceeding with a rebasing application for 2021 rates, however we seek to transition to a January 1st rate year, therefore we plan to have a rebasing application submitted by April 30, 2020.

Sincerely,

A handwritten signature in blue ink that reads "L. Dugas".
