Dear Mr. Singh:

**Re: Waterloo North Hydro Inc.'s Request for an Extension to the Filing of its  
Cost of Service Application for 2021 Rates  
Ontario Energy Board File Number: EB-2020-0059**

This letter is in response to your request dated March 19, 2020, for an extension to the date for the filing of Waterloo North Hydro's 2021 Cost of Service application. Waterloo North Hydro requested an extension from April 30, 2020 to June 30, 2020 due to the current COVID-19 pandemic. The OEB grants Waterloo North Hydro's request.

Waterloo North Hydro also indicated that it hopes that its rates may still be able to be effective January 1, 2021. The OEB anticipates that the OEB panel hearing the application will take into consideration any COVID-19 related delays in setting the effective date.

Yours truly,
