Dear Mr. Stephenson:

**Re: Application for 2021 Electricity Rates – OEB File No. EB-2020-0050**

This letter is in response to your letter of January 29, 2020 expressing an interest to defer Peterborough Distribution Inc.'s (Peterborough Distribution) rebasing of its rates beyond the 2021 rate year.

As Peterborough Distribution noted in its letter, at that time it was awaiting approval of its mergers, acquisitions, amalgamations and divestitures (MAADs) application<sup>1</sup> before the Ontario Energy Board (OEB). The OEB issued its Decision and Order on April 30, 2020, in which it approved the MAADs application, including a 10 year deferred rebasing period.

As Peterborough Distribution's request in its letter to defer its 2021 rebasing application has been superseded by the Decision and Order on Peterborough Distribution's MAADs application, the OEB will not be proceeding with the assessment of the deferral request.

Yours truly,
