**DECISION AND ORDER**

Bullfrog Power Inc. (Bullfrog) filed two complete applications on March 6, 2020 with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act). One application is for renewal of its electricity retailer licence. The second application is for renewal of its electricity wholesaler licence.

The OEB combined the applications into one proceeding, under section 21(5) of the OEB Act. This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the applications without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the evidence and assessing technical capability, financial viability and conduct of the applicant, the OEB finds that it is in the public interest to grant the applications and issue an electricity retailer licence and an electricity wholesaler licence to Bullfrog Power Inc.

**IT IS ORDERED THAT:**

1. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.
2. The application for an electricity wholesaler licence is granted, on such conditions as are contained in the attached licence.
