Dear Mr. Savage:

**Re: Oshawa PUC Network Inc.'s (Oshawa Power) Request for an Extension to the Filing of its Cost of Service Application for 2021 Rates
Ontario Energy Board File Number: EB-2020-0048**

This letter is in response to your request dated June 30, 2020, for an extension to the date for the filing of Oshawa Power's 2021 Cost of Service application. The deadline for filing applications for rates effective January 1, 2021 was April 30, 2020. Oshawa Power requested an extension from April 30, 2020 to June 30, 2020 due to the current COVID-19 pandemic, and the OEB granted the request.

Oshawa Power requested a further extension from June 30, 2020 to July 17, 2020 due to the COVID-19 pandemic. The OEB grants Oshawa Power's request.

This extension does not ensure that a January 1, 2021 effective date will be approved for Oshawa Power. The effective date for rates will be determined by the OEB panel hearing the application, however the OEB anticipates that the OEB panel will take into consideration any COVID-19 related delays.

Yours truly,
