Dear Mr. Vellone:

**Re: Espanola Regional Hydro Distribution Corporation  
2021 Cost of Service Application – Requested Adjustments  
Ontario Energy Board File Number: EB-2020-0020**

This letter acknowledges receipt of **Espanola Regional Hydro Distribution Corporation's** letter dated July 24, 2020 regarding requested adjustments to its **2021 Cost of Service Application**. The Ontario Energy Board (OEB) has assigned File Number **EB-2020-0020** to this matter. Please refer to this file number in all future correspondence to the OEB regarding this matter. All information related to this matter must be filed with the Board Secretary at [boardsec@oeb.ca](mailto:boardsec@oeb.ca).

In its letter, Espanola Regional Hydro Distribution Corporation requested a modified approach to its cost of service application by limiting the scope of the application and reducing the amount of information that needs to be filed. The OEB is currently considering the merits of such an approach. Once the OEB has made a determination on whether the proposed approach will be adopted, the OEB will communicate the next steps in the process.

Please direct any questions relating to this application to the Case Manager, Jerry Wang, Advisor, at 416-440-7637 or [Jerry.Wang@oeb.ca](mailto:Jerry.Wang@oeb.ca).

Yours truly,
