RE: Lakeland Power Distribution Ltd.
2009 and 2010 Distributor Rebasing
Board File EB-2006-0330
EB-2008-0234

Dear Ms. Walli,

The Ontario Energy Board (the Board) has established a multi-year electricity distribution rate setting plan. Under this plan, the Board has identified the year distributors are to have their rates rebased in the period 2008 through 2010.

In the Board's letter of January 30, 2008, the distributors whose rates will be rebased in 2009 where set out in Appendices A. Lakeland Power Distribution Ltd. has been named in Appendix A.

By way of the letter, Lakeland Power Distribution Ltd. would like to inform the Board that their 2009 Cost of Service Application will be delayed due to the lack of resources;

- resignation of Manager of Operations
- extended bereavement for key personnel

It is expected that it will be submitted, on or before September 15, 2008.

Respectively submitted,

Chris Litschko
President & CEO
Lakeland Holding Ltd.
