

EB-2008-0272

IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S. O. 1998, c. 15, Schedule B;

AND IN THE MATTER OF a review of an application filed by
Hydro One Networks Inc. under section 78 of the *Ontario
Energy Board Act, 1998*, seeking changes to the uniform
provincial transmission rates.

PROCEDURAL ORDER NO. 3

On September 30, 2008, Hydro One Networks Inc. ("Hydro One") filed an application with the Ontario Energy Board (the "Board") under section 78 of *Ontario Energy Board Act, 1998*. The application seeks approval for changes to the uniform provincial transmission rates that Hydro One charges for electricity transmission to be effective and implemented on July 1, 2009. The Board assigned the application file number EB-2008-0272.

The Board issued a Decision and Procedural Order No.2 on December 1, 2008, which established the issues list for the proceeding ("Issues Decision"). In the Issues Decision the Board denied the request by Pollution Probe to include as an issue Hydro One's role in offering conservation and demand management programmes.

On December 22, 2008 Pollution Probe submitted a Motion to Review and Vary the Issues Decision made by the Board on December 1, 2008 (the "Motion").

The Board has decided to hold an oral hearing to hear Pollution Probe's Motion.

The Board considers it necessary to make provision for the following matters related to this proceeding. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. Hydro One and Intervenors, other than Pollution Probe, wishing to participate in the hearing of the Motion must file their Motion Records with the Board and copies must be sent to all intervenors of record and Hydro One as listed in Appendix A, by noon on Wednesday January 7, 2009.
2. The Board will hear the Motion orally on Friday, January 9, 2009 at 9:30 a.m. in the Board's Hearing Room on the 25th Floor at 2300 Yonge Street. Submissions from other parties who submitted Motion Records will be heard at that time as well.

All filings to the Board noted in this Procedural Order must be in the form of 2 hard copies and must be received by the Board by **12:00 p.m.** on the stated date. An electronic copy of the filing must also be provided. If you already have a user ID, the electronic copy of your filing should be submitted through the Board's web portal at www.errr.oeb.gov.on.ca. If you do not have a user ID, please visit the "e-Filing Services" page on the Board's website at www.oeb.gov.on.ca and fill out a user ID password request. For instructions on how to submit and naming conventions, please refer to the RESS Document Guidelines also found on the "e-Filing Services" webpage. If the Board's web portal is not available, the electronic copy of your filing may be submitted by e-mail at Boardsec@oeb.gov.on.ca. Those who do not have internet access are required to submit the electronic copy of their filing on a CD or diskette in PDF format.
