Re: Natural Gas supply for morEnergy Savings Corp.

Dear Mr. Nassar,

Based on the agreements put into place December 16th, 2008 Access Gas Services (Ontario) Inc. will provide the required supply services to allow morEnergy to meet it's supply commitments. This supply arrangement is subject to both parties meeting the terms and conditions set forth in the general supply contract between moreEnergy Savings Corp. and Access Gas Services (Ontario) Inc.

Should you or any authorized party require further details about the supply arrangement please feel free to contact us.

We are looking forward to working with morEnergy Savings Corp. and meeting their supply need going into the future.

Sincerely,
