Dear Sir/M'm.

ONTARIO ENERGY BD

In The Brighton Independent
Dec 18/08 you posted an application
by "Hydro One" for a rate increase.
Please don't allow it as this is a very
bad time. People are losing their jobs
and wondering where they'll get money
to pay bills and another increase in
cost will be disastrous to them.
Thank you.

Sincerely
Mary Waskowec
