Dear Mr. Power:

**Re: Ontario Power Authority
2009 Revenue Requirement Submission
Board File Number: EB-2008-0312**

On December 17, 2008 the Board received a letter from you acting for the Electricity Market Investment Group ("EMIG") and seeking late Intervenor status in the OPA Revenue Requirements proceeding. Due to the lack of information provided with your request, Board Staff requested additional information from you related to Rule 23 of the Board's Rules of Practice and Procedure. This information was requested by: 1) a message left on your voice mail on December 18, 2008; 2) an email to you on December 18, 2008 and 3) an email to your Assistant, Ms. Wendy Furyk, on December 18, 2008.

As of this writing, the Board has received no response from you or your organization as a result of the Board Staff inquiries of December 18, 2008. The Board therefore assumes that EMIG no longer wishes to intervene in this proceeding.

Yours truly
