Dear Mr. Beaulne,

**Re: Hydro 2000 Inc. (Hydro 2000)
2009 Incentive Regulation Mechanism (2009 IRM) Rate Application
Board File Number EB-2008-0184**

Board Staff delivered interrogatories to Hydro 2000 on December 23, 2008 and the Vulnerable Energy Consumers Coalition (VECC) on January 5, 2009.

Hydro 2000's response of January 15, 2009 was comprised of a copy of Board staff and VECC's interrogatories, but no answers to these questions were provided. Also, through that correspondence Hydro 2000 resubmitted a 2009 IRM Excel model, with no explanation as to its purpose. VECC was not copied on that correspondence.

The Board will not proceed with Hydro 2000's application unless Hydro 2000 has provided responses to the interrogatories by Board staff and VECC, and explained the purpose of refilling the Excel model, first submitted on January 15, 2009.

Yours truly,
