Dear Ms. Walli:

Re:EB-2008-0381, PILs Combined Proceeding, Procedural Order 3

Procedural Order 3 of Board proceeding EB-2008-0381, issued by the Ontario Energy Board on February 3, 2009 directed the applicants, including Halton Hills Hydro Inc., to consider the scope of the submitted interrogatories and determine a reasonable date on which Halton Hills Hydro Inc. would be able to file their interrogatory responses.

Halton Hills Hydro Inc. has reviewed their upcoming regulatory obligations, including 2009 3rd Generation Incentive Rate Mechanism Application, Long Term Load Transfers and preparation of our year end audit working papers and Financial Statements. Further, we are engaged in the recruitment process for a staff accountant. Halton Hills Hydro Inc. may also retain our tax consultant's expertise, however, due to the demands of their work schedule, the consultant is not available before May 2009.

Halton Hills Hydro Inc. intends to submit accurate and complete interrogatory responses and believes that, to ensure the responses are indeed complete, Halton Hills Hydro Inc. would require until Friday, May 8, 2009 to compile the information and complete the responses to the interrogatories.

Any questions or concerns can be directed towards, Stewart Davidson, Chief Financial Officer, Halton Hills Hydro Inc., (519) 853-3700 extension 208, stewartd@haltonhillshydro.com.

Yours truly,

Stewart Davidson, CA
Chief Financial Officer
Halton Hills Hydro Inc.
