Dear Mr. Balogh:

**Re: Hydro One Networks Inc.  
Transmission Revenue Requirement for 2009 and 2010  
Your request of February 9, 2009  
Board File No. EB-2008-0272**

In your request for confidential information you requested the Business Plans of Hydro One for 2005, 2006 and 2007 if the Board has them on file.

The Board procedure is that requests such as this should be made of the applicant as part of the interrogatory phase, which is now complete. You can also ask Hydro One to produce the documents in the oral phase of the hearing if you choose, although it is not certain they will agree to do so. The records at the Board are open to the public and can be personally accessed at our information Resource Centre on the 25<sup>th</sup> Floor. We can advise, however, that the Board does not have these documents on file.

We are therefore unable to comply with your request.

Yours truly,
