Dear Mr. Shepherd:

**Re: Greater Sudbury Hydro Inc. 2009 Cost of Service Electricity Distribution
Rates Application, Board File Number EB-2008-0230**

The Board received an intervention and cost eligibility request, dated February 9, 2009, from the School Energy Coalition ("SEC") in the aforementioned proceeding. The Board notes that this request was made after the 10 day intervention deadline. Greater Sudbury Hydro Inc. did not object to SEC's intervention. Because the proceeding has not reached the interrogatory stage, the Board is of the view that approval of this intervention will not delay the progress of the proceeding.

The Board approves the intervention and cost eligibility of SEC in the EB-2008-0230 case, providing that SEC accepts the record of this case as it currently stands. An updated List of Intervenors is attached.

Yours truly,
