Dear Ms. Walli:

Re: Oshawa PUC Networks Inc. (ED 2002-0560)
2009 IRM Rate Application (EB-2008-0205)

Oshawa is in receipt of Procedural Order 2 in regards to Part II of the above proceeding. The Order sets the date of March 23, 2009 for an oral hearing into this matter. Unfortunately, Oshawa will not be able to produce a complete expert panel for this date. For this reason we request that the date be changed. All panel members can be available starting the following Monday, March 30, 2009.

Thank you for your assistance in this matter.

Yours truly,

Atul Mahajan
