**Re: Board Decision on Union Gas QRAM Rate Application (EB-2009-0054 –
Effective April 1, 2009)**

Dear Ms. Walli:

On March 13, 2009, the Board approved Union's April 1, 2009 QRAM application as filed. As per Union's evidence, the amounts recorded in the Spot Gas Variance Account for incremental gas purchased in the Northern and Eastern Operations Area will be deferred against the Alberta Border Reference Price; and those for incremental gas purchased in the Southern Operations Area will be deferred against the Ontario Landed Reference Price.

If you have any questions or concerns on this matter, please contact me at (519) 436-5476.

Yours truly,
