Dear Ms. Walli:

**Re: Motion of Brant County Power Inc ("BCP")  
Board File Number EB-2009-0063**

---

We are in receipt of the letter of counsel to Brantford Power Inc. dated March 30, 2009, received via email, time stamped at 5:51 p.m.

The comment from BCP in respect of the May 25, 2009 hearing impacting the ability to proceed with the 2010 rate application was based upon the assumption that following an oral hearing would be one to two weeks of written argument, and up to two months which the Board may take to render a decision in this matter. That would take the decision to the early part of August 2009. It is expected that the outcome of this decision will have a direct impact on the 2010 rate application by BCP.

Yours very truly,

AIRD & BERLIS LLP
