AND IN THE MATTER OF an Application by Great Lakes Power Limited for an Order granting leave to transfer to Great Lakes Power Distribution Inc. its distribution system in its entirety and its current Distribution Rate Order;

AND IN THE MATTER OF an Application by Great Lakes Power Distribution Inc. for a license to own and operate a distribution system;

AND IN THE MATTER OF a request by Great Lakes Power Limited to cancel its distribution license and its transmission licence;

AND IN THE MATTER OF an Application by Great Lakes Power Transmission Inc. on behalf of Great Lakes Power Transmission LP to amend its transmission licence to allow it to own and operate its transmission assets;

AND IN THE MATTER OF a request by Great Lakes Power Limited to transfer to Great Lakes Power Transmission LP its Customer Delivery Point Performance Standards Approval and its Customer Connections Procedures Approval;

AND IN THE MATTER OF a Notice of Proposal pursuant to section 81.

AFFIDAVIT OF SERVICE

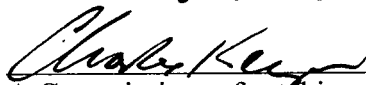

I, Jonathan Myers, of the City of Vaughan, Province of Ontario, **MAKE OATH AND AFFIRM:**

1. I am an associate lawyer at Torys LLP, counsel to Great Lakes Power Limited, Great Lakes Power Distribution Inc., Great Lakes Power Transmission Inc. and Great Lakes

Power Transmission LP and, as such, have personal knowledge of the matters herein disposed.

2. In accordance with the Ontario Energy Board's Letter of Direction dated March 26, 2009, I arranged to have served by courier on April 6, 2009 a copy of the Notice of Applications and Hearing in both English and French (the "Notices", which are attached hereto at Exhibit "A"), together with the corresponding covering letter attached hereto at Exhibit "B", to each of the parties identified at section 4 of the Letter of Direction, except as described below. The courier receipts for this service are attached hereto at Exhibit "C".
3. I determined that Algoma Steel Inc. was acquired in 2007 by Essar Steel Holdings Ltd. and is now known as Essar Steel Algoma Inc. As such, despite the requirement in the Letter of Direction to serve Algoma Steel Inc. I instead served Essar Steel Algoma Inc. in the manner described at paragraph 2, above.
4. With respect to the party referred to in section 4 of the Letter of Direction as "People Opposing Whitewashing Electrical Rates", efforts to serve a copy of the Notices were not successful. I attempted to have this party served based on the last known address used in a prior proceeding. No updated contact information was identified from Internet searches or discussion with the Applicant. A copy of the shipment tracking details from the courier, Purolator, indicating that the address requires correction, is included with the courier receipts at Exhibit "C". In addition, my assistant was unable to contact or to leave a message for this party by telephone despite attempting to do so using the last known telephone number for this party on April 9, 2009.
5. I was unable, based on internet searches and discussions with representatives of the Applicant, to identify a French language newspaper in the Sault Ste. Marie area.
6. In accordance with sections 1 and 3 of the Letter of Direction, on April 1, 2009 I provided copies of the English and French language Notices by e-mail to Osprey Media for purposes of publication in the Sault Star. A copy of the e-mail request is attached hereto at Exhibit "D". The Notices appeared in the Sault Star on April 9, 2009, copies of which are attached hereto at Exhibit "E".
7. In accordance with section 2 of the Letter of Direction, on April 1, 2009 I provided a copy of the English language Notice by e-mail to the Globe and Mail for purposes of requesting publication in the Globe and Mail. A copy of the e-mail request is attached hereto at Exhibit "F". The Notice appeared in the Globe and Mail on April 9, 2009, a copy of which is attached hereto at Exhibit "G".

Great Lakes Power Limited – Requête en annulation d'un permis de transport d'électricité

Great Lakes Power Limited (ci-après, « GLPL »), Great Lakes Power Distribution Inc. (ci-après, « GLPD ») et Great Lakes Power Transmission Inc. (« GLPT »), au nom de Great Lakes Power Transmission LP (ci-après, « GLPTLP ») (collectivement, les « Requéérants »), ont déposé des requêtes auprès de la Commission de l'énergie de l'Ontario (ci-après, la « Commission ») datées du 6 mars 2009 aux termes des articles 18, 60, et 74 ainsi que des paragraphes 77 (5) et 86 (1) de la *Loi sur la Commission de l'énergie de l'Ontario*, L.O. 1998, c. 15, annexe B (la « Loi »).

Ces requêtes sont faites compte tenu de l'expiration de la dispense accordée à GLPL concernant l'application de l'article 71 de la *Loi de 1998 sur la Commission de l'énergie de l'Ontario* qui interdit aux distributeurs et aux transporteurs d'exercer des activités autres que la distribution ou le transport, sauf par l'entremise de sociétés affiliées.

GLPL demande l'autorisation de la Commission de vendre tous ses actifs de distribution à une société affiliée, GLPD. GLPL veut également obtenir l'autorisation de transférer son ordonnance actuelle sur les tarifs de distribution datée du 24 décembre 2008 à GLPD. GLPL a par la suite demandé l'annulation de son permis de distribution d'électricité (ED-2008-0343). GLPL a de plus demandé à la Commission d'annuler son permis de transport (ET-2008-0342).

La Commission a assigné à ces requêtes les numéros de dossier suivants :

- EB-2009-0072 : transfert de l'ordonnance sur les tarifs de distribution datée du 24 décembre 2008, nouveau permis de distribution et annulation d'un permis de distribution (ED-2008-0343).
- EB-2009-0073 : transfert du réseau de distribution de l'électricité.
- EB-2009-0075 : modification du permis de transport ET-2007-0649, transfert de l'approbation des normes de rendement en matière de livraison au client et de l'approbation des procédures de connexion des clients, et annulation du permis de transport (ET-2008-0342).
