### **Curriculum Vitae of Atul Mahajan, CA (India), CMA (Canada) President and CEO**

#### **PROFILE:**

Atul Mahajan is the President and CEO at Oshawa PUC Networks Inc. (OPUC). As the CEO of OPUC, Atul plays a pivotal role in the overall strategic direction and operations of OPUC.

In his more than 20 year career across North America, Europe, Africa and Asia, Atul has used his entrepreneurial spirit and extensive operational experience to bring innovations to companies in diverse industries.

Atul has worked extensively in negotiating and establishing joint ventures, recruiting appropriate teams for the operation of subsidiaries and joint ventures and in developing and implementing plans for accelerated growth in Europe, Africa and Asia

#### **PROFESSIONAL DESIGNATIONS AND EMPLOYMENT:**

- CA (India)
- CMA (Canada)

Atul's career began in 1984 doing audits at Ernst & Young in India. From there he joined Mazda (India) as a business analyst in 1986. He went on to Global Petrochemical Processes Limited (Canada, US, Russia) where he was Finance Manager, and later Vice President of Finance and Business Development between 1988 and 1999. At that time, his work in financial management, strategic planning and business development initiatives included negotiations of multi-million dollar engineering contracts in Canada, Russia and the U.S.

In 1999, Atul joined venture capital funded HDM Interactive as the CEO and led the growth of the company in Asia and Africa where he structured and negotiated investments in joint ventures with large telecom operators in international markets.

Atul began his career with OPUC as the CFO in 2004, and was named President and CEO effective January 1, 2009.

#### **VOLUNTEER WORK:**

Atul is very involved in his community, through the Heart and Stroke Foundation of Ontario.
