Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, Suite 2700
Toronto, ON M4P 1E4

Dear Ms. Walli:

**RE: EB-2007-0722 – Electricity Distributors: Customer Service, Rate Classification and Non-payment Risk
Notice of Proposal to Amend Codes**

We are counsel to Attawapiskat Power Corporation ("APC"), Fort Albany Power Corporation ("FAPC") and Kashechewan Power Corporation ("KPC"), and file this submission with respect to the above-referenced matter on their behalf. It is being filed on the Board's RESS system today.

Please note that APC, FAPC and KPC have already filed this submission in relation to the Board's consultation on the Low-income Energy Assistance Program Report (Board File No.: EB-2008-0150). We are filing the submission again under this matter because the code amendments in question are also referenced in the LEAP Report. APC, FAPC and KPC do not comment on the specific code amendments *per se*. Rather, as is made clear in the submission, all three utilities are of the view that their unique circumstances in the communities they serve warrant an exemption from the code amendments being proposed.

Please do not hesitate to contact me should you have any questions or concerns.

Yours very truly,

John Beauchamp
