

EB-2009-0101

IN THE MATTER OF the *Ontario Energy Board Act 1998*, S.O.1998, c.15, (Schedule B);

AND IN THE MATTER OF an Application by Union Gas Limited for an Order or Orders amending or varying the rate or rates charged to customers as of July 1, 2009 in connection with the sharing of 2008 earnings under the incentive rate mechanism approved by the Ontario Energy Board on January 17, 2008.

PROCEDURAL ORDER NO. 1

Union Gas Distribution Inc. ("Union" or "Applicant") filed an Application on April 2, 2009 with the Ontario Energy Board (the "Board") under section 36 of the *Ontario Energy Board Act, 1998*, S.O. c.15, Sched. B, as amended, for an order of the Board amending or varying the rate or rates charged to customers as of July 1, 2009, in connection with the sharing of 2008 earnings under the incentive rate mechanism approved by the Board on January 17, 2008 (the "Application"). The Board has assigned file number EB-2009-0101 to the Application and has issued a Notice of Application dated April 22, 2009.

Union's approved incentive regulation ("IR") mechanism provides for the sharing of actual utility earnings greater than 200 basis points over the amount calculated annually by the application of the Board's Return on Equity ("ROE") formula in any year of the IR plan. The 2008 actual utility earnings exceeded this threshold.

Union is seeking an order or orders approving \$15.2 million as the customer portion of earnings sharing in 2008 and the proposed disposition of that amount to Union's customers.

The approved IR mechanism also provides for a review of the IR mechanism if Union's weather normalized utility earnings vary by 300 basis points or more above or below the

amount calculated annually by the application of the Board's ROE formula in any year of the IR plan.

The parties and Applicant have indicated a desire to convene a Technical and Settlement Conference. In addition, the Board has made provision for the hearing of a Settlement Proposal, if any, and an oral hearing, as circumstances may warrant. These dates are included in this order, and a case timetable appears at Appendix A.

The Board has not received any objections from Union with respect to eligibility of intervenors for costs. The Board has granted intervenor status to the list of parties as indicated in the Notice of Application, and these lists are attached as Appendix B and Appendix C to this Order.

The Board will now make provision for the following procedural matters.

Please be aware that further procedural orders may be issued from time to time.
