Filed Electronically

Attention: Ms. Kirsten Walli, Board Secretary

Dear Madam:

**Re: Enbridge Gas Distribution 2009 Rates – Phase 2
Ontario Energy Board (the “Board”)
File No. EB-2008-0219
TransCanada PipeLines Limited (“TransCanada”)
Revised Interrogatory Responses and Transcript Corrections**

On April 20, 2009 TransCanada filed its Interrogatory Responses with the Ontario Energy Board. Since that time, TransCanada has determined that some minor revisions are required to the following responses:

- CME-TCPL 7;
- DEML-TCPL 3(a); and
- Shell-TCPL 2;

TransCanada is therefore filing revised versions of these responses.

TransCanada also attaches corrections to the transcript from the Technical Conference.

Finally, TransCanada also notes that it inadvertently omitted an STFT capacity posting for Winter 2006/2007 for undertaking TCU2.10. This posting is attached and should be added to the package of attachments to the undertaking.

Yours truly,
