Dear Ms. Walli:

**Re: EB-2008-0150 Low-income Energy Assistance Program Implementation Working Groups**

The Electricity Distributors Association (EDA) is the voice of Ontario's electricity distributors.

The EDA would like to nominate Maurice Tucci, Policy Director, Distribution and Regulation, to participate in the OEB's LEAP Financial Assistance Working Group. Mr. Tucci participated in the OEB's stakeholder consultations on the Low Income Energy Assistance Program last fall and has extensive experience on regulatory issues.

Mr. Tucci prepared the EDA's submissions on low income issues and has carried out consultations with members on LEAP program implementation issues. The EDA will be continuing to consult with members on low income issues and Mr. Tucci will assist in keeping members informed on the progress in addressing the implementation issues.

Yours truly,
