Board File No. EB-2008-0236

On May 28th the Board granted your request to extend the filing of Midland's draft rate order to June 5th, 2009 but did not explicitly extend the filing date for cost claims. A revised schedule including cost claims is provided below.

The Draft Rate Order shall also include customer rate impacts and detailed supporting information showing the calculation of the final rates.
- o Intervenor shall file any comments on the Draft Rate Order with the Board and forward to Midland within 7 days of the filing of the Draft Rate Order.

- o Midland shall file with the Board and forward to Intervenor responses to any comments on its Draft Rate Order within 7 days of the receipt of any submissions.
- o Intervenor shall file with the Board and forward to Midland their respective cost claims by July 3rd, 2009.
- o Midland shall file with the Board and forward to the relevant Intervenor any objections to the claimed costs by July 17th, 2009
- o The relevant intervenor shall file with the Board and forward to Midland any response to any objections for cost claims by July 24th, 2009.
- o Midland shall pay the Board's costs incidental to this proceeding upon receipt of the Board's invoice
