Re: sub-metering 131 Minerva Ave.:

11 May 2009

We wish to voice our disapproval of any change to the way we pay our Hydro. We have lived at 131 Minerva Ave. Apt. 108 for 22 years, and every year part of our rent increase was for Hydro costs. We do not feel, the sub metering is a fair procedure, and do not like the idea of being forced to use the present company.

We also don't like the idea of a written hearing, and feel it is not a fair way to do business with the tenants. This notice given to us is extremely unfair to everyone, as it is not understandable to anyone if they are not a lawyer.

Therefore we feel this is not a legal way to do business and we ask for tenant based participation hearing, when we can learn our rights properly, and not have a few days to respond to something we can't understand what it means to us.

Sincerely,

Albert J. Davis  
Linda M. Davis
