Attention: Barbara Robertson
File # EB - 2009 - 0111

Dear Ms. Robertson,
We the residents of 155 Antibes Drive, that have lived here for more then 25 years, have signed lease including water, heat, hydro and cable. We had a meeting with Stratcon in regards to installing smart meters in the building. As a result of the meeting our concerns were not met and the meters were installed. We had NO choice in paying the "Administration Fee and Maintenance Fee" payable each month to Stratcon for they're services. Eventually we found out that meters they had installed were illegal. If we were to go with Ontario Hydro there would be NO "Administration Fee and Maintenance Fee" for they're services.

Sincerely,

The Residents of 155 Antibes Drive
