

File NO EB-2009.0111 May 18/09  
Dear Sirs.

I hope my reply gets to you, I  
have been on holiday.

The meeting that took place in  
this Bldg. (100 Roxborough Ave)

was participated by many people.

We have strongly objected  
to this so called. (sub metering)

This is a very old Bldg and  
until you urge this organization  
to fix broken window etc

we object to this blatant  
stealing of our rights
