Dear Ms. Walli:

**Board File No. EB-2009-0103 – EGD 2009 DSM Input Assumptions  
Comments of Energy Probe**

Pursuant to the Notice of Application and Hearing and Procedural Order No. 1, issued by the Board on May 4, 2009, the following are the Comments of Energy Probe Research Foundation (Energy Probe) for the Board's consideration in this proceeding. An electronic version of this communication will be forwarded in PDF format.

Energy Probe has reviewed material provided by Enbridge Gas Distribution Inc. ("EGD") in its 2009 DSM Input Assumptions submission of March 30, 2009 from Mr. Michael Brophy, and submits that it has concerns with the process in this proceeding. Among our concerns is that this material has not been the subject of a consultation with EGD's Evaluation and Audit Committee.

Energy Probe has reviewed the comments of Mr. Vince DeRose, the counsel to the Canadian Manufacturers and Exporters, most recently in his letter of May 19, 2009, and supports his submissions in this matter.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh  
Case Manager
