Dear Ms. Young:

**Re: Application for Electricity Generator Licence  
Board File Number EB-2009-0150**

The Board has reviewed your application. Your application is currently incomplete and cannot be processed until the following has been filed:

Your application indicates that the Board of Governors of Exhibition Place is incorporated under the City of Toronto Act, 1997. However, section 144 of the Electricity Act 1998 states:

*"144. ...a municipal corporation shall not generate, transmit, distribute or retail electricity, directly or indirectly, **except through a corporation incorporated under the Business Corporations Act** pursuant to section 142. 1998, c. 15, Sched. A, s. 144. (emphasis added)*

It does not appear that the Board of Governors of Exhibition Place is incorporated under the Business Corporations Act as required by the *Electricity Act, 1998* in order to generate electricity. If there is a business corporation that is applying for the generator licence, please provide the Business Corporations Act registration number.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue a letter of direction indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on diskette or by e-mail to [boardsec@oeb.gov.on.ca](mailto:boardsec@oeb.gov.on.ca).

Please direct any questions relating to this application to George Dimitropoulos, Analyst, Licence Applications at +1 (416) 544-5152 or e-mail, [George.Dimitropoulos@oeb.gov.on.ca](mailto:George.Dimitropoulos@oeb.gov.on.ca).

Yours truly,
