

EB-2008-0411

IN THE MATTER OF the *Ontario Energy Board Act 1998*,
S.O.1998, c.15, (Schedule B) (the “Act”);

AND IN THE MATTER OF an Application by Union Gas Limited pursuant to section 43(1) of the Act, for an Order or Orders granting leave to sell 11.7 kilometers of natural gas pipeline between the St. Clair Valve Site and Bickford Compressor Site in the Township of St. Clair, all in the Province of Ontario

PROCEDURAL ORDER NO. 2

Union Gas Limited (“Union Gas” or the “Applicant”) has filed an application with the Ontario Energy Board (the “Board”) dated December 23, 2008, under section 43(1) of the *Ontario Energy Board Act, 1998* (“the Act”). The Applicant seeks an order from the Board granting leave to sell 11.7 kilometers of 24 inch diameter steel natural gas pipeline located between the St. Clair Valve Site and Bickford Compressor Site in the Township of St. Clair. The Board assigned file No. EB-2008-0411 to this application.

A Notice of Application and Hearing dated February 3, 2009, was served and published by Union Gas as directed by the Board.

Ten parties requested and were granted intervenor status in this proceeding, of which three were deemed eligible for cost awards: Canadian Manufacturers & Exporters (“CME”) ; Federation of Rental Housing Providers of Ontario (“FPRO”); and GAPLO-Union (Dawn Gateway), the Canadian Association of Energy and Pipeline Landowners’ Association (CAEPLA previously CAPLA), and certain landowners who are affected directly by the current application (collectively “GAPLO-Union”). Parties are reminded that matters concerning cost awards are set out in the Board’s Practice Direction on Cost Awards, which is available on the Board’s Web site at www.oeb.gov.on.ca. A complete list of all parties is attached as Appendix A to this Procedural Order.

On March 16, 2009 the Board issued Procedural Order No.1 setting out the schedule for the filing of comments on a draft issues list and the filing of interrogatories. On April 6, 2009 the Board issued its Issues Decision and Order with a final Issues List.

The Board intends to conduct an oral hearing. The Board considered various options for the location of the oral hearing. For convenience of the majority of the participants in this proceeding, the Board decided to hold the oral hearing in Toronto, and has scheduled 2 days for that purpose - June 22 and 23, 2009. The Board may extend the hearing for a third day, on June 25, 2009, if it so determines at the time.

The Board considers it necessary to make provision for the oral hearing.

THE BOARD ORDERS THAT:

1. The oral hearing is scheduled to commence at 9:30 a.m. on Monday, June 22, 2009, in the North Hearing Room, 25th floor at the Board offices, 2300 Yonge Street, Toronto.
2. All filings to the Board must quote file number **EB-2008-0411**, be made through the Board's web portal at www.errr.oeb.gov.on.ca, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Please use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at www.oeb.gov.on.ca. If the web portal is not available you may email your document to the address below. Those who do not have internet access are required to submit all filings on a CD or diskette in PDF format, along with two paper copies. Those who do not have computer access are required to file three (3) paper copies. All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.

DATED at Toronto, June 1, 2009.

ONTARIO ENERGY BOARD
