Dear Ms. Walli:

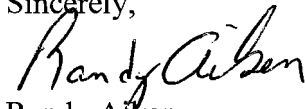

**Re: EB-2008-0235 London Hydro 2009 Rates Rebasing Application – LPMA –
Procedural Order No. 2**

As requested in Procedural Order No. 2 of the above noted proceeding, I am writing to provide the comments of the London Property Management Association regarding the need for an oral hearing.

I have reviewed the letter of Mr. Buonaguro on behalf of his client, the Vulnerable Energy Consumers Coalition dated June 2nd, 2009 and agree with his comments.

LPMA does not see the need for an oral hearing, but would find it useful if London Hydro were to file an Impact Statement to reflect any changes that London Hydro acknowledges are required as a result of the interrogatory process. It would be helpful if such materials were to be filed no later than June 10th, 2009. Of course, if London Hydro is not proposing any changes to its original filing it could say so in its reply on June 5th, 2009.

Sincerely,

Randy Aiken
