Re: EB 2008-0238 Error on Appendix "A"-Tariff of Rates and Charges

A small error has been identified in Appendix "A" – Tariff of Rates and Charges as per EB 2008-0238 Rate Order issued to Northern Ontario Wires Inc on May 27, 2009.

The Deferral Account Rate Rider for two categories is reflected as being applied at "\$/kWh" when it should read "\$/kW". The two categories are "General Service 50 to 4,999 kW" and "Street Lighting". It was accurately reflected on the final rate schedule submitted to the Ontario Energy Board by Northern Ontario Wires Inc. Accordingly we respectfully request that the Ontario Energy Board issue a revised Appendix "A" – Tariff of Rates and Charges.

Should you have any questions or require additional information, please do not hesitate to contact the undersigned.
