SUBJECT: Ontario Energy Board Hearing - OEB File Number EB-2009-0138

Dear Ms Walli:

Please find enclosed Lear Corporation's submission of evidence for the above referenced hearing. Since Lear Corporation does not have the appropriate ID necessary to file the submission through the web portal we have chosen to submit our filing on CD ROM along with the two paper copies of the documents. We trust this will be satisfactory.

If you have any questions, please call me.

Yours truly,
