

IN THE MATTER OF the Ontario Energy Board Act,
1998, S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application pursuant to
section 74 of the Ontario Energy Board Act, 1998 by
Kitchener-Wilmot Hydro, Inc. to amend electricity
distribution license.

NOTICE OF SUBMISSION OF EVIDENCE FOR OEB PANEL HEARING

Hearing Date: June 12, 2009

Lear Corporation ("Lear") submits the below identified evidence in support of its opposition to the April 23, 2009 application of Kitchener-Wilmot Hydro Inc. ("KWH") to amend its electricity distribution license, ED-2002-0573, specifically to exempt KWH from section 2.4.6.2 of the Distribution System Code.

Section 2.4.6.2 contains adequate safeguards for the protection of KWH and other rate payers and Lear has complied with the guidelines for more than the seven years required. Allowing KWH to deviate from section 2.4.6.2 would pose a hardship on Lear which is unjustified in light of the assurances it has previously provided to KWH.

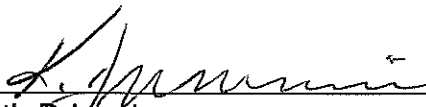

In support of its opposition, Lear submits the following documentary evidence:

1. Form 10K
2. Form 10Q
3. March 4, 2009 letter from KWH
4. March 16, 2009 letter from Michael Oates (Lear)
5. April 7, 2009 letter from KWH
6. April 17, 2009 letter from Michael Oates (Lear)
7. EDC Receivables Insurance Offer and other documents
8. Lear payment History
9. CD Rom with the above documents in PDF format

Lear will also attend the June 12, 2009 hearing to explain further its opposition to KWH's application.

Respectfully submitted,

Lear Corporation

Keith Drimmie,
Controller, Lear Kitchener
