Dear Ms. Walli:

**RE: APPLICATION FOR AN ACCOUNTING ORDER REGARDING  
VARIANCE AND DEFERRAL ACCOUNTS APPROVED IN EB-2007-0905**

Attached please find an application by Ontario Power Generation Inc. ("OPG") for an accounting order to address the treatment of the variance and deferral accounts approved in EB-2007-0905 for the period after December 31, 2009.

The order is necessary as the Payment Amounts Order issued by the Ontario Energy Board assumed that there would be a new payment amounts order effective January 1, 2010. However, OPG has deferred the filing of its next payment amounts application by one year and will apply for new payment amounts effective January 1, 2011.

OPG is also submitting this application on the Regulatory Electronic Submission System.

Yours truly,
