This will acknowledge receipt on August 22, 2007 of your electricity distribution rate application. An initial review of your application reveals that it has been filed on the basis of the Board's December 20, 2006 "Report of the Board on the Cost of Capital and 2<sup>nd</sup> Generation Incentive Regulation for Ontario's Electricity Distributors" and will be processed accordingly.

The Board has assigned File Number EB-2007-0556 to this matter. Please refer to this number in all future correspondence to the Board regarding this matter.

Based on the Board's experience with applications of this nature, the Board expects that it may be able to render a decision and/or order in this application on or about December 3, 2007.

We note that your application does not conform to the Board's filing instructions released on January 18, 2007 in the following respects:
