RE: Federation of Rental-housing Providers of Ontario (FRPO) Submissions EB-2009-0101

I have reviewed, at a high level, the Draft Rate Order submitted by Union Gas on June 10th as a result of the Settlement Agreement of the Parties in the above noted case. The contents appear consistent with agreement with intervenors and cost allocation principles evidenced previously. Further, FRPO endorses the experienced opinion of Randy Aiken of Aiken & Associates in his comments to Draft Rate Order as a more rigorous review.

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn
