Dear Mr Eddington:

**Re: Tillsonburg Hydro's 2009 Distribution Rate Application
Board File No. EB-2008-0246**

The Board is in receipt of your letter dated June 15, 2009 with respect to the current rate application from Tillsonburg Hydro Inc.

In that letter you advised the Board regarding the recruitment of an Operations Regulatory Affairs Manager, effective June 8, 2009. The information contained in the letter constitutes new evidence which cannot be received by the Board after arguments have been submitted by all parties. The evidentiary phase of the proceeding was closed prior to the applicant's Argument in Chief. This restriction is to ensure that all parties will have an opportunity to review the full package of evidence and ask or seek clarifications as necessary.

As a result, the information contained in the letter will not be used by the Board in its determination of your application and your letter will not form part of the record of this hearing.

Your letter did not indicate if you provided copies to the other parties involved in this hearing. For their information, the Board has copied them with this reply letter.

Yours truly,
