Dear Ms. Walli:

**EB-2006-0168 -- Hydro One Networks Inc. and TransAlta Generation Partnership
Ratemaking for Certain Transmission Assets – Withdrawal of Application**

Hydro One Networks Inc. ("Hydro One") and TransAlta Generation Partnership ("TransAlta") (formerly TransAlta Energy Corporation) recently executed a settlement agreement with respect to cost responsibility for certain transmission upgrades associated with the connection of TransAlta's Sarnia generating plant. Accordingly, both parties have agreed to withdraw their joint application EB-2006-0168, filed in this matter in July 2006 by TransAlta Energy Corporation and Hydro One.

This letter serves as Hydro One's and TransAlta's formal request that the application be withdrawn.
