Dear Ms. Walli:

**Re: Pollution Probe – Submissions on Application
EB-2008-0401 – Toronto Hydro – 2007 LRAM/SSM Recovery**

Pursuant to Procedural Order No. 2, we write to provide Pollution Probe's brief submissions for the above noted matter.

In light of Toronto Hydro's satisfactory responses to Pollution Probe's interrogatories, Pollution Probe supports Toronto Hydro's application to recover the claimed 2007 LRAM and SSM amounts. Pollution Probe also submits that it has acted appropriately in this proceeding, and it should accordingly be entitled to its costs in the normal course.

We trust that this is satisfactory, and please do not hesitate to contact the undersigned if you wish to discuss this matter further.

Yours truly,

Basil Alexander
