#### Re: Notice of Hearing for Cost Awards Board File No.: EB-2008-0408

#### **Background**

On December 23, 2008, the Ontario Energy Board initiated a consultation process to examine issues relating to the transition to International Financial Reporting Standards ("IFRS"). In its letter of that date inviting participation in the consultation, the Board indicated that cost awards would be available to eligible participants under section 30 of the *Ontario Energy Board Act, 1998* for their participation. In its decision dated January 28, 2009, the Board found the following participants to be eligible for a cost award in the consultation:

- Association of Major Power Consumers in Ontario
- Building Owners and Managers Association of the Greater Toronto Area
- Canadian Manufacturers & Exporters
- Consumers Council of Canada
- Energy Probe Research Foundation
- Industrial Gas Users Association
- London Property Management Association
- School Energy Coalition
- Vulnerable Energy Consumers Coalition

In its letter of December 23, 2008, the Board indicated that any costs awarded would be recovered from all rate-regulated electricity and gas distributors. Appendix A to the letter indicated that the Board would use the process set out in section 12 of the Board's *Practice Direction on Cost Awards* and act as a clearing house for all payments of cost awards. Attachment A to this letter lists the eligible activities and corresponding number of hours for that activity.

#### Notice of Hearing

The Board is initiating this hearing on its own motion in order to determine the cost awards that will be made in accordance with section 30 of the *Ontario Energy Board Act, 1998* for the stakeholder consultation activities. The file number for this hearing is EB-2008-0408.

The Board intends to proceed by way of written hearing unless a party can satisfy the Board that there is a good reason for not holding a written hearing. If a party wants to object to a written hearing, the objection must be received by the Board no later than **7 days** after the date of this Notice.

Assuming that the Board does not receive any objections to a written hearing, the hearing will follow the process set out below.

- 1. The eligible participants shall submit their cost claims by **July 17, 2009**. A copy of the cost claim must be filed with the Board. All cost claims received will be posted on the Board's website. The cost claims must be completed in accordance with section 10 of the Board's *Practice Direction on Cost Awards*. In addition, to expedite the review of cost claims, the Board asks eligible participants to submit a cost claim summary as illustrated in Attachment B.
- 2. Distributors will have until **August 4**, **2009** to object to any aspect of the costs claimed. A copy of the objection must be filed with the Board and one copy must be served on the eligible participant against whose claim the objection is being made.
- The eligible participant whose cost claim was objected to will have until August 18, 2009 to make a reply submission as to why its cost claim should be allowed. A copy of the reply submission must be filed with the Board and one copy is to be served on the objecting distributor.

4. The Board will then issue its decision on cost awards. The Board's costs to may also be addressed in the cost awards decision.

Service of cost claims, objections and reply submissions on other parties may be effected by courier, registered mail, facsimile or e-mail.

All submissions in this hearing (i.e., cost claims, objections and replies) will form part of the public record. Copies of the submissions will be available for inspection at the Board's office and will be published on the Board's website.
