Dear Ms. Walli,

Re: Application for Licence Amendments Board File Number EB-2009-0257

Further to our letters dated June 30, 2009 we would also like to add the business name "Commerce Energy" to both the electricity retailer licence **ER – 2005-0314** and gas marketer licence **GM -2005-0316**.

We will send the Business Name Registration documentation to you shortly.

For additional information, please do not hesitate to contact me.

Sincerely,

Nola Ruzycki.
