Board File No. EB-2009-0174

Ontario Power Generation Inc. – Accounting Order Variance and Deferral Accounts Comments of Energy Probe

Pursuant to Procedural Order # 1, issued June 30, 2009, wherein parties were provided with an opportunity to comment on the procedural agenda in this proceeding, Energy Probe Research Foundation (Energy Probe) submits that it is concerned that a combination of written interrogatories and written argument might be less than a satisfactory process given the number and monetary size of OPG's variance and deferral accounts.

Energy Probe has had an opportunity to review the comments of Mr. Thompson on behalf of the Canadian Manufacturers & Exporters in his letter to the Board of July 9th, and is of the opinion that his suggestion for a Technical Conference would be a satisfactory solution.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
