ONTARIO ENERGY BOARD

July 9, 2009

Kirsten Walli, Board Secretary
ONTARIO ENERGY BOARD
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E5

Dear Ms. Walli:

Re: EB-2008-0154: Enbridge Gas Distribution Inc. (EGD) 2010 Natural Gas Demand Side Management Plan.

Industrial Gas Users Association (IGUA) Letter of Intervention.

We write as legal counsel to IGUA.

Application for Intervenor Status.

IGUA is in receipt of the Board's Notice of Application and Written Hearing in the captioned proceeding dated June 25, 2009. We hereby request, on behalf of IGUA, that the Board accept this application for intervenor status.

Description of IGUA.

IGUA is an association of industrial companies located in the Canadian provinces of Manitoba, Ontario and Québec who use natural gas in their industrial operations. IGUA was first organized in 1973 and it provides a coordinated and effective public policy and regulatory voice for those industrial firms depending on natural gas as a fuel or feedstock. IGUA has become the recognized voice representing the industrial user of natural gas before regulatory boards and governments at both the provincial and national levels.

Nature and Scope of IGUA's Intended Participation.

IGUA has historically been involved in matters relating to the gas distributors' DSM programs and associated rate setting. Industrial load represents a significant component of the distributors' DSM programming, and a significant portion of the distributors' DSM budgets are spent on, and paid for, by industrial customers. As such, IGUA has an ongoing interest in the continued cost effectiveness of gas DSM programming, in the way these programs are developed and managed, and in the Board's policy in respect of gas DSM in general.

Intention to Seek an Award of Costs.

IGUA also hereby requests that it be determined eligible for recovery of its reasonably incurred costs of its intervention herein.

As a party primarily representing the direct interests of industrial consumers (i.e. ratepayers) in relation to regulated services, IGUA has in the past been determined to be eligible for cost awards pursuant to section 3.03(a) of the Board's *Practice Direction on Cost Awards*.

Request for Written Evidence and Contact Information.

IGUA requests that copies of written evidence and all circulated correspondence related to this matter be directed to it as follows:
