RE: Submission to the OEB Regarding Board File EB-207-0031

Dear Kristen,

I am pleased to submit a letter in support of the submission made by the Agri-Energy Producers' Association of Ontario (APAO) to the OEB regarding Board File EB-207-0031. The Green Energy Act Alliance has worked closely with the APAO to develop a set of thoughtful and thorough recommendations. We trust that the Ontario Energy Board will give consideration to these recommendations and we look forward to working with the APAO and the OEB in the future to make sure that renewable energy projects have adequate access to Ontario's electricity grid.

Sincerely,

Mike Layton
