Dear Ms Walli:

Re: EB-2007-0606 & 0615 Union Gas Motion to be heard September 13th

As I am not able to attend the motion on the 13th I would ask that you convey this correspondence to the Panel.

GEC's position remains as articulated on July 13th. We strongly favour a combined proceeding to allow for a full and fair discussion of the competing methodologies and to achieve economies for the process and participants.

We have had the opportunity to review EGDI's motion factum of September 11th and agree with the points made therein.

Sincerely,
