Dear Ms. Walli:

**Re: Union Gas Limited and Enbridge Gas Distribution Inc. - 2008 Rates
Board File No. EB-2007-0606 and EB-2007-0615**

The Pacific Economics Group, LLC ("PEG") has notified Board staff that they have been unable to prepare and file all of the Interrogatory Responses as required by the Board. Attached is a letter received from PEG, outlining the reasons for the delay, and a proposed schedule for the filing of the outstanding responses.

To date, PEG has filed responses to all of Enbridge's questions and 24 of CCC/VECC's questions. PEG expects the balance of interrogatory answers will be filed as follows:

- Energy Probe by Tuesday 18 September
- Remaining CCC/VECC by Tuesday 18 September
- IGUA by Friday 21 September
- LMPA/WGSPG/BOMA by Tuesday 18 September
- Power Workers Union by Tuesday 18 September
- Union Gas by Tuesday 18 September
- Board Staff by Thursday 20 September

Board staff seeks an extension, consistent with the above, to complete the filing of Interrogatory Responses. It is not anticipated that this extension would affect the timing of the Technical Conference, currently scheduled for October 3-5, 2007.

Yours truly,
