Dear Applicants:

**Re: Niagara-on-the-Lake Hydro Inc.
Retail Transmission Rate – Connection Rate Reduction and Rate Rider
Application – Stanley TS Bypass Settlement Negotiations – Request for
Extension
Board File No. EB-2009-0149**

The Board has received your joint letter dated July 14, 2009 requesting an extension of the date for reporting back to the Board on the status of your settlement discussions. Specifically, you request an extension of the deadline for reporting from July 17, 2009 to July 24, 2009.

The Board has determined that it will grant the requested extension. The Board therefore expects that the parties will report back to the Board on the status of the settlement discussions on or before July 24, 2009.

Yours truly,
