**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15 (Schedule B);

**AND IN THE MATTER OF** the *Municipal Franchises Act*, R.S.O. 1980, Chapter 309, as amended;

**AND IN THE MATTER OF** an Application for the renewal of a franchise agreement between Natural Resource Gas Limited and the Corporation of the Town of Aylmer.

**VARY ORDER – RATE APPLICATION DATE SUBMISSIONS OF  
NATURAL RESOURCE GAS LIMITED**

1. Natural Resource Gas Limited (“NRG”) has set out its reasons for requesting an extension of the date for filing 2011 Rates Application with the Ontario Energy Board (“OEB”) in its letter to the OEB dated June 12, 2009. NRG also set out the evidence that supports its request for an extension.
2. In the Responding Submission of Integrated Grain Processors Co-operative Inc. (“IGPC”), IGPC makes it clear that it does not oppose the extension requested by NRG. In the circumstances, NRG does not propose to respond to detail to the comments of IGPC, given that IGPC is not opposing the request for an extension. However, the comments of IGPC are not supported by the factual record and are disputed by NRG.
3. NRG respectfully requests the extension of the date for filing a 2011 Rates Application to January 31, 2010.
